

OUTDOOR ACTIVITIES

INDIVIDUAL VOLUNTEER ACTIVITY

Getting our youth and young adults outside and involved in fun activities can allow them space to drop all the worry for that time and just have fun. If you have some creative ways to do this, please share! We love everything from a walk on the canal, to basketball at the YMCA, or even a camping trip.

WHAT DAYS AND TIMES DOES THIS HAPPEN?

This service opportunity will be coordinated based on the specific needs Outreach may have and your availability. Our Volunteer Manager will reach out to you once you fill out the Volunteer Application. Thank you!
