

HOLIDAY CHEER

GROUP VOLUNTEER ACTIVITY

SUGGESTED HOLIDAYS TO CELEBRATE*

New Year's Day
Black History Month
Valentine's Day
Easter
Mental Health Awareness
Memorial Day
Independence Day
Halloween
Thanksgiving
Christmas

*This is not an exclusive list! Please feel free to suggest other holidays to celebrate. For example, Earth Day, Donut Day, and Mother's Day are all incredible holidays!

For many youth, Outreach's Program Center feels like home. Many of us know that a home is not just the infrastructure that supports it. It's also not just the people that occupy it. A home is what is celebrated within it, the joy, the conversations, and the effort to make its occupants feel comfortable. By completing this activity, you'll increase the sense of home our youth have at the Program Center and invite them to enjoy the holidays.

WHAT ARE WE DOING?

Decorate the Program Center for the various holidays throughout the year. Depending on the holiday you wish to help celebrate, Outreach may have decorations for your group to use. However, please be prepared to bring your own.

WHERE ARE WE DOING IT?

This activity takes place within the Program Center located at 2416 E New York Street.

HOW MANY PEOPLE DO WE NEED?

While there is no minimum for this activity, we ask that you keep your group under 20 people due to the limited space within our Program Center.

ARE WE GOING TO HAVE FUN?

Yes! Every time you volunteer at Outreach, don't forget that what you are doing is truly helping the youth we serve. Always remind yourself and your group that you are doing something incredible. Take photos and videos of your work and your group to share on your social feeds, and be sure to tag Outreach in your posts!
