We believe it’s important for youth and young adults to feel proud of their environment. Cleaning our outside space and the surrounding neighborhood is an easy way to achieve this. By beautifying their area, you and your group (of any size) are helping our youth feel welcome!

**WHAT ARE WE DOING?**
Using trash bags and gloves, pick up trash and debris from the streets, sidewalks, and parking lots nearest our Program Center. Weeding, mowing our small strip of grass with our electric mower, and trimming bushes may also be a need throughout most of the year. Your group will also have the opportunity to tour and learn about Outreach!

**WHERE ARE WE DOING IT?**
The surrounding streets nearest to Outreach (located at 2416 E New York Street).

**WHEN CAN WE DO THIS?**
Weekdays between 9 AM - 3:30 PM.
Some Saturdays (as available) between 9 AM - 12 PM.
