

# BRING THE OUTSIDE IN

GROUP VOLUNTEER ACTIVITY

In an effort to beautify the Program Center and make our environment feel cozier and more inviting, we invite you and your group (of any size) to help surround our youth and young adults with the incredible benefits of nature.

## WHAT ARE WE DOING?

Purchase or collect donations of house plants, soil, and pots (with holes and saucers) and bring green life into the Program Center. *Optional:* Arrange to have someone come by Outreach weekly to water plants (and even stay for engagement or to help with other tasks).

## WHERE ARE WE DOING IT?

While we recommend bringing plants and potting them at Outreach's Program Center (located at 2416 E. New York St.), this activity can also be done at a place of your choosing. Whether assembling at Outreach or dropping off, your group will have the opportunity to tour and learn more about Outreach!

## WHEN CAN WE DO THIS?

**To Pot Plants:** Tuesday or Thursday between 9 AM - 3 PM or some Saturdays between 9 AM - 12 PM (weeknights are negotiable).

**To Place Plants:** Most weekdays between 9 AM - 3:30 PM (weeknights are negotiable).

**To Water Plants (if you commit to that):** Most weekdays between 9 - 3 PM.
